- **Self-development and Awareness**

Students who join our SEOI Malaysia-Singapore 2019 program will change their attitudes such as self-development and awareness leading to enhance self-confidence and self-esteem, maturity and social poise fueled by the necessity to confront challenges outside comfort zone.

WHAT TO EXPERIENCE?

- **International Exchange**

Experience a short visit in several university will let the students feel the atmosphere of being international students.

- **University Eruditions**

Visiting several best universities by having campus tour, admission workshop, and/or nice discussion with students/lectures.

- **Historical Discovery**

Discovering the history of a country will make students sense that experiences a country have affect its ideology and its people's behavior.

- **Cultural Understanding**

By watching from up close the substance of culture in other country students will learn to understand that differences are to be respected.

- **Society Immersion**

Exposing a number of social hubs to immerse with other country's society for improving interpersonal skills.

DAY 1: MALAYSIA SOCIETY EXPLORATION

• *Kuala Lumpur International Airport*

SEOI Thinx will take the students off the ground to bring them fly approaching Malaysia and Singapore. A new beginning of life has just started.

• *Petronas Twin Tower*

As a start, students will take the opportunity of seeing the landscape of Kuala Lumpur over Petronas Twin Tower. The twin is a prove of Malaysia's development in technology. Besides, also a spot to see the overall society of the city.

• *Central Market & Petaling Street*

As to see Malay people from up close, from Petronas Towers students head to Central Market & Petaling Street. In both markets, students can observe Malay people's behaviors in daily life.

DAY 2: A DAY OF EXCHANGE PROGRAM

• *University of Malaya*

The second day will start by visiting University of Malaya, one of the top universities in Malaysia. Students will have a campus tour to see the university's system in a hope that one day they might want to continue their study there. They will also have a sharing session discussing social condition in Malaysia with UM representatives.

• *Monash University*

In Malaysia, Monash university is considered in the highest position regarding its college of engineering. Many of their programs are among top 100 based on QS World University Subject Rankings 2017. Students will have a tour around the campus as well as sharing session with MU students.

• *Johor Baru*

Right from university visits, students will head to Johor Baru to continue their educative trip to Singapore in the next morning.

DAY 3: SINGAPORE EDUCATION EXCHANGE AND SOCIETY EXPLORATION

• Little India

On the third day, students have arrived in Singapore, to have more exploration by firstly visiting Little India. This district is one particular place showing the life of Indian people inhabiting Singapore.

• Chinatown

The next thing to explore is Chinatown. This place is also a specific place where Chinese people in Singapore live and do activities such as business. If students can observe further, they will see whether Indian and Chinese refer to identity or a country.

• Airport Transfer

At the end of the day, students are expected to have great insights that might inspire them to live a life in wider perspective and knowledge.
